Week 3 of the term has been a busy one. Thank you to the many parents who attended ‘Meet the Teacher’ afternoon on Tuesday. It was great to see a large number of parents attend the sessions to gain an overview on how the teachers operate in the various levels. If you were not able to attend please see your child’s class teacher for any information that was shared at the session.

Mr Terry Cornish, Assistant Regional Director, visited the school on Tuesday. As part of his visit, Mr Cornish took the time to discuss with students and teachers from various classes about how teaching and learning has been occurring in classrooms since the beginning of the school year. It was great to hear the responses the students gave Mr Cornish. Mr Cornish was very positive about his walk through of the classrooms as well as of the expectations the teachers have of our students.

Day 8 enrolment occurred on Thursday February 7. There are 537 students enrolled at Oxenford SS, a slight increase from 2018 Day 8 numbers. I am waiting on confirmation of staffing allocations for teachers as well as teacher aide hours from regional and central office, however the class groupings will not be changed from what has been set up and started so far this year. The school has excellent class sizes, especially in the early year classes.
The following is a list of class teachers:

Mr Newman, Physical Education Teacher, will require the remainder of the term off at this stage to receive further treatment for his broken ankle. I would like to welcome Mr Jason Kish who will replace Mr Newman for the term. Mr Kish will work at Oxenford SS on a Monday, Tuesday, Wednesday and Thursday. Mr Kish will also coordinate all school sport as well.
I understand the concerns of many parents about our classrooms not being air conditioned and that students and staff are at times working in conditions that are not favourable to quality teaching and learning. We have had many offers from parents wanting to donate, new or second hand air conditioners to be installed in classrooms. Although I appreciate these offers, like most things, it is more complex than just having these units donated and installed. There are many regulations that need to be followed around air conditioning from electricity upgrades in every block, quality of the units and air flow, security, as well on as ongoing costs. In my short time here I have had many conversations with the P&C about how to best move forward in developing a whole school plan to air condition all of our classrooms. This is complex and costly project that needs to be strategically planned and fully costed, and something that I want to work with the school community to deliver. I ask parents to be patient and support of the P&C and the school as we embark on this project. I am more than happy to discuss this further with parents.

I would like to remind parents that taking photos and/or videos of other students is not permitted. Parents are most welcome to take photos/videos of their own child/ren at assemblies or other school events. Please ensure every effort is made to include your child/ren only and refrain from posting imagines on social media if other children can be identified in the background of the image/video.

Thank you to many parents who use the drop off zone correctly before and after school each day. Please remember if you are coming into the school the drop off zone is not for parking in, please use the other car parks opposite the drop off zone. Again, safety of our children is the most important thing.

Congratulations to Helping Hands our After School Hours Care providers who recently received a regional award for the dedication and creativity they put into caring and supporting our students who use this service. Well done to Chloe and her team on this award.
Join us to say Bullying. No Way! Take action every day on Friday 15 March 2019

Help end bullying and violence. Join all Queensland state schools to stand together on the National Day of Action against Bullying and Violence (NDA), Friday 15 March. The NDA is Australia’s key anti-bullying event for schools. It is a positive day of action that strengthens school’s everyday message that bullying and violence have no place in their community. The NDA gives us an opportunity to put our programs in the spotlight and work together as a community (parents, teachers, staff and students) to talk about bullying and finding solutions together to address it. Parents and carers are encouraged to visit the Bullying. No Way! website for advice and useful information.

I look forward to seeing many parents at next week’s P&C Meeting. It is on Monday February 18 at 3.15 pm in the library.

Thank you for taking the time to read our school news.

Warm regards,

Patric A Brady
Principal
It has been a really positive start to the year and the students have settled in well to their new classes. It is so lovely to go into the classrooms and share with the children what they have been learning. As part of our assemblies we will also be sharing some of this learning with the community. Last week I had the pleasure of learning about shapes with our prep students. As always, your child’s teacher is the best person to contact should you have any questions about their progress throughout the year. Making a mutually convenient time outside of the busy time of just before school starts and just after school finishes will have the best outcomes for a successful meeting.

MEDICAL INFORMATION
Please keep the school informed of any changes to your child’s medical history. It is always important for us to know any medications that your children maybe taking so that if we do ever have to administer first aid, we can provide the best level care possible. Medical updates can be completed via the office staff.

PICK UP TIME
At the end of the day, we ask that parents please wait away from the classroom, preferably in the tuckshop undercover area. As tempting as it is to want to see what your child is doing in the classroom, it really is very distracting to students. In those last few minutes of the day, teachers are reviewing the learning of the day, giving reminders and preparing children for the next day. It is naturally exciting for children to know that mum/dad/grandparents are waiting to pick them up and if they see you at the window or near the door, it is very hard for a child to concentrate on listening. Please wait away from the classroom and then you can enjoy hearing all the tales of excitement on the way home.
BEFORE SCHOOL
Before school children are supervised from 8.15am in the undercover tuckshop area and on the oval. Children are not to wait outside their classrooms whether they are with their parents or not. We ask all families to please wait in the undercover area. This is to ensure that all students are safe and gives the teachers time to prepare their day. Prep children may wait with their parents outside the classroom whilst they continue to settle into the school routine. The playgrounds however are out of bounds. Being at school on time is also crucial for your child’s learning. Coming into class after the bell is distracting for the teacher and other students, as well as your child missing the important start to a lesson. Please feel free to speak with your classroom teacher and/or a member of the leadership team if you are having difficulties making it to school on time.

PARENT VOLUNTEERS
The school really values the part that parents play when they volunteer their time in the classroom. We also take very seriously our responsibility for the duty of care for the children in the school. As such we ask that all parents complete a volunteer’s induction prior to volunteering in our classrooms. The first volunteer’s induction will be held on Wednesday 20TH February at 9.00am in the school library. When you come into the school to volunteer, please sign in at the office and then you will be able to conduct your duties as directed by the teacher. Once again thank you for your willingness to partner with the school in this way. We love having parent volunteers to assist with our learning.

FREE VISION SCREENING FOR PREP CHILDREN
Good vision is important for a child’s educational, physical and social development. Vision screening is therefore vital in early childhood, particularly for conditions such as ‘lazy eye’, which if not detected early can lead to blindness.

A Registered Nurse will be visiting the school in 2019 to commence vision screening for all Prep Year children. If you wish to have your child participate in this free vision screening program, please complete and sign the consent form coming home with your child in the very near future and return to school.

Dani Radley
Deputy Principal
Term 1 is off to a flying start in every classroom.

We had a wonderful afternoon at the Parent information sessions. It was wonderful to see so many interested parents (and grandparents) come along and become more familiar with teachers and the curriculum. The smiling faces of our students as they showed their family members around was a delight to see. The sausage sizzle was a hit!

For the curious and inquisitive amongst us...

Our school and local libraries make a valuable contribution to our lives.

The 21st Library Shift

20th Century
- Primarily content driven
- Mostly tangible collection
- One-way information
- Focus on presentation
- Emphasis on enhancing knowledge
- Located in the community - acts independently

21st Century
- Combination audience & content driven
- Combination of digital & tangible
- Focus on audience engagement
- Embedded in community & acts collaborative partnerships

From the State Library of QLD website.

Year 456

Maths Mastery

Any parents who are still finding it difficult to source the correct Maths Mastery book, please give you name to your classroom teacher. The school is ordering some of the books to sell through the office and we will let you know when they arrive.

Year 4 students require - myJEMMdata student workbook 9780980790535
Year 5 students require - myJEMM+data student workbook 9780980790559
Year 6 students require - myEMMdata student workbook 9780980790528

School stuff is still able to supply the books but they will need to charge postage and handling so we are trying to avoid that further cost for parents.

Week 6

Vicki Diefenbach

FRIENDS WITH DIGNITY LITTLE FRIENDS SCHOLARSHIP PROGRAM
*APPLICATIONS NOW OPEN *

Do you know a child that needs a helping hand after facing the effects of Domestic Violence?

Applications are now open for Round 4 of the Little Friends Scholarship program!

*Friends With Dignity* now has 40 scholarships nationally! The *Little Friends Scholarship Program* has been established to ensure all children have the ability to either further their education and/or be able to participate in extra-curricular activities that they may not be able to pursue due to the financial impact of Domestic and Family Violence within their family environment.

There are 2 categories in which we are providing targeted support:

- Educational
- Extra-curricular

Each scholarship is up to the value of $500.00

Normally, all *Friends with Dignity* programs are on a referral basis from support organisations and Refuges, however the *Little Friends Scholarship program* affords ALL parents the opportunity to submit an application personally.

2 x Scholarships will be awarded per State, with the remaining 24 Scholarships being awarded on an 'as needed basis'.

If you know of someone who is eligible to apply, please pass this information on so they can get their application in.

Click here to APPLY and for further information:

Applications close 5pm Sunday 24th February 2019.
Welcome back.
So excited to be back. I would also like to welcome Mr James Henshaw back and a warm welcome to our new strings teacher Ms Sarah Larmor
I am pleased to announce the amazing music activities planned for 2019.

**Choir**

**Term 4** Week 5 9th November 2019 Music Count Us In at the Surfer’s Paradise foreshore

**Instrumental Band**

**Term 3** Week 6 August 2019 Gold Coasts Eisteddfod (TBA)

**Instrumental Strings**

**Term 3** Week 5 August 2019 Gold Coast Eisteddfod (TBA)

**Choir, Band and Strings**

Term 2 Week 9 18th June 2019 3.30pm-4.30pm Winter Concert

Term 4 Week 7 19th November 2019 3.30pm-4.30pm Showcase Concert

Yours musically

Ms. Julia Mpoumpis Classroom Music Specialist
Choir Master and Music Coordinator jxmpo0@eq.edu.au
Breakfast Club

We have our Breakfast Club up and running again this year, but we are doing things a little different! We are now operating on both Wednesday and Thursday mornings, starting at 8:15 from the canteen.

The students can line up at the tuckshop at 8:15 to collect their toast and will then sit in the canteen area to finish eating.

If there are any parents/carers who would like to come along and butter some toast for the students, your help would be very much appreciated.

Please feel free to contact the school office or me on kirstenf@chappy.org.

Thank you

Kirsten Forbes

Appreciation Message
The team at Helping Hands, proudly supports our local, family run Bakers Delight in Oxenford. We would like to acknowledge and thank them for their ongoing support towards our OSHC service.

A BIG Congratulations are in Order!
The team at Helping Hands Oxenford are very excited and happy to share with our families that we have won the Junior Adventures Group/Helping Hands 2018 Regional Excellence Service Award. Oxenford received this award for not only putting a lot into the service and working hard but for continuously working in relation to the three company values, which are Compassionate, Courageous and Considerate.

Bookings
Just a friendly reminder to please ring, email, text or leave a message to let us know if your child/ren are going to be absent, as it keeps the service informed and avoids having to follow up with families and Police Link. If the service does need to follow up with families a ‘No Show Fee’ of $5 will be charged to your account as a deterrent.

Opening Hours
BSC: 6:30am - 6:00pm
ASC: 3:00pm - 6:00pm
VAC: 6:30am - 6:00pm

Vacation Care
Preparation is already on its way for the April Vacation Care period. We have lots of fun activities, themed days and excursions planned and we can’t wait to share them with you, as soon as the flyers become available.

Meet The Oxenford Team
Coordinator: Chloe Jones
Assistant Coordinator: Kelsey Mulherin
Educator: Darby Pearce
Educator: Kelly Brown

Does your child require medication during school hours?
If your child requires medication while at school, please ensure you request an Administration of medication record sheet from the school’s office. You will also need to provide the school with the prescription-labelled medication in the original packaging with clear directions for its use.

Office Hours
Office hours are 8:00am—3:30pm
Children need to be collected prior to 3:30pm.
If you are going to be running late please inform the office on ph: 5585 7666.

The QSchools app is a convenient way to receive up-to-the-minute information from and about schools. The app is designed to integrate with school websites, and allows users to see when news, events and newsletters are posted to their selected school website. The school community can also receive emergency announcements such as natural disasters and school closures through the app.

Find out more about QSchools and download the app today.
HCD Martial Art Academy

Traditional Martial Art Classes designed to Help:
- Develop confidence
- Improve self-control, and
- Increase Fitness
