

CLASSROOM NEWS!

Term 4
2B 2024

Welcome Back:

Welcome back to term 4!
Term 4 already! I cannot believe it!
I hope everyone had a restful break and is ready for an exciting term ahead. This term, we have lots of fun learning activities planned, as well as lots of exciting events.

Thank you for your unwavering support throughout this school year. We look forwards to a fun, memorable and engaging final term.

Reminders:

As we enter the warmer months, please remember a water bottle and hat each day to keep our students hydrated and sun-safe.

Additionally, as the end of the year approaches, we kindly ask that all library and home reader books are returned.

Contact Me:

I continue to be committed to establishing strong parent-teacher communication. Should you ever have any questions about your child, the curriculum, or just need to touch base, please feel free to contact me.

2B 2024

What are we learning in term 4?

English Students will compare characters in two versions of the same story and express a preference for a character.

Math Students will be exploring transformations. They will identify and describe a flip, slide, quarter and half turn. Students will solve simple addition and subtraction calculations using a range of strategies. Further, students will draw two- dimensional shapes and recognise the features of three- dimensional objects.

Science Students will investigate the combination of materials used to make an object for a particular purpose. They will record and represent observations and communicate their ideas.

HASS Students will conduct an inquiry to the question: How and why have changes in road transport affected the lives of people over time?
