4C Term 3

A NOTE FROM the Teacher

Welcome to Term 3! I am so pleased with how settled students have been coming back from our school holiday break – all students have been motivated to get back in to learning and have slipped seamlessly back into routine. Please remember, I am always available for any concerns or queries. You can contact me by sending a note, email or telephoning the school. I look forward to spending another term with your child and hope that we can work together to encourage success in student learning! Kind Regards, Hayley Towell

WE ARE Learning

This term in English we are reading and writing information reports. We are working towards independently writing an information report on an endangered Australian animal by the end of the term.

This term in Maths we are looking at time, data, and we will re-visit fractions and explore decimals.

How you can help at home:

- Engage in conversations about time; How many minutes until soccer training starts? How many hours until dinner is served?
- Collect data within your family – conduct surveys to discover favourite foods, colours animals and more
- You could collect data on the number of white/ yellow/ red/ blue cars that you see on your way to school
- Continue practicing times tables

In Science we are learning about life cycles of Australian Animals. This unit will be integrated with our writing in English.

This term in HASS we are looking at sustainability, and we will learn about different continents in the world.

IMPORTANT Reminders

Punctuality and Absences

We ask that all students please arrive in the classroom each morning on time, before the second bell. If your child is absent, please contact the office the morning of that day or by writing a note explaining the reason for absence. If you know of the absence in advance, please send in a note outlining the details (dates/reason) for the absence.

Specialist lessons:

Tuesday: Library borrowing

Wednesday – STEM & Japanese

Thursday – Religious Instruction. PE & Music

IMPORTANT Dates

July 10-31 – Interschool Sport

July 16 – 800m Final
