Interschool Sport

Dear Parents / Caregivers,

Your child has indicated that they would like to represent Oxenford State School in an Interschool Sport Competition. The Interschool Sport season will consist of four (4) "half day" carnivals, with a minimum of two (2) games to be played on each occasion. The scheduled days for competition are **July 26, August 2, August 9** and **August 16**. August 23 will be used as a backup day in the advent of a washout.

Transport to and from venues will be provided by Coachlink Bus Services. There is a fee of **\$50.00** per student in order to cover transport costs for the 4 days of competition. Unfortunately, this fee is **not refundable** if your child is not at school or withdraws from their team. It is imperative students who elect to participate in the program commit to play and support the team for the duration of the season.

Payment is due by Wednesday, July 12. Please contact Mr Newman in advance of this date if a payment plan would assist your child in participating in the Interschool Sport Program.

Sports and equipment required for each sport:

- **Rugby League (for boys only in Yrs5 and 6)** – Mouthguards and moulded sole football boots are compulsory.
- **Soccer (for boys and girls)** – Shin guards and moulded sole football boots.
- **AFL (for boys)** – Mouthguards and moulded sole football boots are compulsory.
- **Netball (for girls and boys)** – Courts Shoes/Joggers
- **Touch (for girls only)** – Touch Shoes/Joggers

Please note that your child will not be allowed to participate if they are not in full school uniform on that day. This includes a school hat. Students will also require sunscreen, a water bottle and a packed lunch.

Teachers/coaches reserve the right to withdraw any child from a sporting team for unacceptable school or game day behaviour. Please see the attached "code of behaviour" information.

Exemplary sportsmanship during games is the expectation!

Refund Policy

At Oxenford State School, we are committed to providing a safe and supportive learning environment for students, staff and volunteers. This commitment includes the health and safety of staff and students when conducting curriculum activities in the school or in other locations.

School excursions and camps enhance a student's learning by providing opportunities for the student to participate in activities, both curriculum-related and recreational, outside the normal school routine. All planned school excursions are approved by the Principal and endorsed by the Parents and Citizens Association.

State schools are able to charge a fee for:

- an educational service including materials and consumables not defined as instruction, administration and facilities for the education of the student
- an education service purchased from a provider other than the school where the provider charges the school and
- a specialised educational program.

A school fee is directed to the purpose for which it is charged.

School fees for extra-curricular activities are calculated on a cost recovery only basis, according to the number of students who have indicated their attendance.

Participation of students in an extra-curricular activity is indicated through payment of the fee and provision of a permission form completed by the parent.

As the school budget cannot meet any shortfalls in funding for an extra-curricular activity due to the subsequent non-participation of a student who had previously indicated attendance of the activity, fees already paid for an extra-curricular activity may be refunded in full or in part or not at all, having regard to the associated expenses incurred and the circumstances of the non-participation.

If a parent wishes to apply for a refund due to their child's non-participation in an extra-curricular activity, they may do so by completing a Request for Refund form available from the school office. Where possible, the request should include the receipt relating to the payment for which a refund is being sought.

It is preferred that refunds be made as a credit against the student's account at the school, and used to offset any future charges.
