

SPONSORSHIP, DONATIONS & LOCAL BUSINESS SUPPORT INFORMATION PACK 2026

OUR 'LITTLE' SCHOOL

Oxenford State School opened in 1987. Situated at the base of the hinterland and just a short drive to the beach, you can really capture the country feel on the coast at Oxenford. OSS caters for students from Prep to Year 6. We have a C&K kindy right next door, and an out of hours school care on site for before and after school care and vacation care.

OUR P&C ASSOCIATION

We're a collaboration of parents, teachers, students, and community members, working together to support our school.

We provide feedback on policies, help enhance student resources, and contribute to school activities. Our success relies on volunteers—every bit of support makes a difference!

OUR VOLUNTEERS

The Oxenford State School P&C is a dedicated team of parents, teachers, and community members working to support our school. Our volunteers help with events, fundraising, and student opportunities. Every contribution, big or small, makes a difference. Join us in building a stronger school community!

- Number of students 520 (*evolving*)
- Number of Families 380 (*evolving*)
- Prep to Year 6

HOW YOUR BUSINESS CAN SUPPORT US & WHY IT MATTERS

If your business or organisation caters to local families, then an Oxenford P&C sponsorship is the perfect way to connect with our school community.

Our school is made up of parents who are actively invested in their children's education and deeply value businesses that support us. We shop, dine, and use services within our local area, creating a strong sense of community.

By becoming a supporter/sponsor, you not only gain direct exposure to local families but also have the opportunity to build meaningful business connections within our parent network and the broader school community. Your support helps strengthen this connection, benefiting both your business and our school.

FINANCIAL SPONSORSHIP

Our events are the heart of OSS, & we welcome cash donations to support them, offering sponsorship opportunities that may include business recognition across our marketing.

RAFFLE / GIFT VOUCHERS DONATIONS

Donating raffle prizes is a great way to support our school while showcasing your business, with exposure through ticket sales, event promotions, and across our marketing channels.

IN-KIND SPONSORSHIP

A fantastic way to support our P&C by donating goods or services for events, such as marquees, styling, catering, or entertainment, with sponsorship benefits including business recognition across our promotions based on your contribution.

OPPORTUNITIES & EVENTS

Partnering in education is the ultimate way to contribute meaningfully to the place where you do business. These are just some of our volunteering services, fundraising activities, events, projects and activities.
