*When I go to school I will wear my
uniform.*

When I am at school, I must follow these expectations:

Be Safe!

Be Respectful!

Be a Learner!

*When I get to school I will put my bag
in the bag rack.*

My new prep classroom is a lot like my Kindergarten classroom.

When I am in class, I use the 5L's.

Give Me Five

The 5L's of Listening

1

LEGS

Legs together
or crossed
and still

2

LAP

Hands together
or beside you
and still

3

LIPS

Mouths quiet,
no sounds or
talking

4

LOOK

Eyes looking at
the person who
is talking

5

LISTEN

Ears listening
to the person
who is talking

In class and in the playground we talk about the Zones of Regulation and what zone we are in.

The **ZONES** of Regulation

			
Blue Zone Sad Bored Tired Sick	Green Zone Happy Focused Calm Proud	Yellow Zone Worried Frustrated Silly Excited	Red Zone overjoyed/Elated Panicked Angry Terrified

At break time, I will eat lunch with my friends out of my lunch box.

There is a playground and space to play and learn with my friends at school.

There are also bathrooms, where I can wash my hands and go to the toilet.

*In the Afternoon, my family will pick me up
and I can tell them all about the wonderful day
I had at Oxenford State School.*

*I'm going to have a great time at
Oxenford State School.*
