

CLASSROOM News!

Mrs Fish 1C
Term 2 2025

Welcome Back

Welcome to term 2.
We have had a fantastic start!
I am looking forward to a term filled with lots of learning and fun!
Please note some changes to our timetable below.

REMINDERS:

Monday	Tuesday	Wednesday	Friday
HW goes home	Library Health	Digi Tech Music	HW Returned PE Assembly (wk. 4 & 10)

As the winter months approach, please ensure all winter items are named.

Please ensure your child has their own hat.

Just a friendly reminder classroom areas are out of bounds until the 8:50am bell rings.

Please see email updates for any news or events happening.

Mark Your Calenders

5th May- Labour Day PH
7th May- Mother's Day stall
9th May- Mother's Day Breakfast

*see emails for updates

CONTACT ME:

I continue to be committed to establishing strong parent-teacher communication. Should you ever have any questions about your child, the curriculum, or just need to touch base, please feel free to contact me.

What Are We Learning?

English

Students will create an informative text to report on a fictionalised creature. They will write about what their creature looks like, how it moves, where it lives and what it eats. 1C will draw their creature and label the features. Further, students will read, view and comprehend a simple informative text.

Math

Students will count to and from numbers up to 100, locate numbers on a number line and partition numbers using place value.

Science

1C will describe how a habitat meets the needs of a living thing and how changes in habitats might affect living things.

HASS

Students will identify, describe and sequence personal and family events and describe continuities and changes in aspects of daily life over time.

The Arts

Students will explore sense of place through imaginative experimentation with a range of materials and processes to design a mixed media poster or diorama of the habitat of an animal or fictionalised creature.
