

Investing for Success

**Under this agreement for 2017
Oxenford State School will receive**

\$170,362*

This funding will be used to

- Increase the percentage of students meeting the National Minimum Standards in all Literacy and Numeracy areas in Year 3 and 5 to 100%
- Improve student performance in NAPLAN for Years 3 and 5 in Reading U2B to match the National Mean.
- Improve AEDC data for Oxenford SS in the area of Oral Language to 85%
- Improve school Reading data with 85% of students from P-6 meeting the school reading targets for the end of Semester One and Two.

Our initiatives include

- Providing targeted intervention for students identified at all ability levels with personalised programs to maximise their achievement and growth in both literacy and numeracy
- Providing teachers with research based intervention strategies and equipment including ICT to support the development of individual learning plans for students at all levels
- Continuing to build teacher capacity through an instructional coaching model
- Enhancing programs with additional trained support staff
- Reviewing and rewriting the Oxenford SS Reading Scope and Sequence
- Implementing SSP program in the Early Years
