Dear Parents / Carers,

At Oxenford State School we aim to be innovative in our approach to science, looking for new and exciting ways to introduce scientific concepts to our students.

On **Tuesday 10th October**, Year 4 students will be participating in an engaging presentation "Rethink Refuel Recover – Sustainable Science Supercharged", as part of our Science Program.

This stage show includes a range of dynamic science demonstrations exploring renewable fuels, conscientious chemistry and ingeniously upcycled materials. It's a truly engaging, exciting and educational event which will inspire students to rethink the way their own use of science can boost Earth's sustainability into the future. This incursion will be run by qualified professionals from Street Science and aims to further develop students' understanding and knowledge of chemical sciences.

Activity details:

- **When:** Tuesday 10th October
- **Where:** School hall
- **Risk Level of activity:** Medium

The activities will be led by qualified science professionals from Street Science. Students will be briefed on safety requirements prior to participating in the workshops.

Activity Costs:

- **Cost:** \$7.00
- **Due Date:** Wednesday 5th October 2017

If you wish for your child to participate in the activity, please pay, complete and return the consent attached to your child's teacher.

Miss Ruth Hester

Head of Curriculum
