

CLASSROOM NEWS

2A with Mrs Nibbs

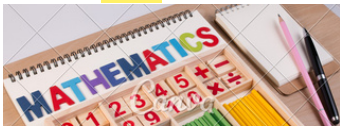

April 2024

Dear Parents and Guardians,
We hope this newsletter finds you and your students in good health and refreshed after the school break.

It is hard to believe we are already in week 2 of the term.

In English we will be looking at poetry and our comprehension skills. While also focusing on the students sentence structure, grammar and handwriting skills. Students will become more independent in our literacy groups and work on their phonics and sentence structure through activities and

In maths this term, the students will be focusing on the following math topics: addition, subtraction and money: We' will be practicing adding and subtracting two-digit numbers, exploring number patterns and counting with money.

In HASS we will be exploring present connections to places. students will explore the following inquiry question: How are people connected to their place and other places? This also links with our mathematical understanding and maps.

For Health this term we will be looking at our culture and the students will use their photos from home to create a book about themselves. Thank you to those who have already emailed or sent in photographs.

The Arts this term we are looking at the element of Drama and students will be busy exploring their retell of particular event or story and take on different roles.

REMINDERS THIS WEEK

Wakakirri rehearsals will happen every **friday** at 9:30am for those students who were successful in their audition.
