4C Term 1

## A NOTE FROM the Teacher

Welcome to a busy and exciting year at Oxenford SS! I am pleased to say that the first week has been full of activities that ensured that we all have begun to get to know each other. The students in 4C have made the first week very enjoyable and together we are settling nicely into new routines. Please remember, I am always available for any concerns or queries. You can contact me by sending a note, email or telephoning the school. I look forward to having a rewarding year with your child and hope that we can work together to encourage happiness, confidence, and success!

## WE ARE Learning

This week the focus has been on building relationships and getting to know each other.

**Engaging in conversation with your child about what they did at school this week:**

- Ask about our snowball fight 😊

This term in English we are writing persuasive texts and looking at **advertising**. We are working towards creating an advertisement to "Sell our Merch".

This term in Maths we will begin by looking at **Odd and Even numbers**. We will then move on to **Chance**, and **Mapping & Angles**.

You can help them at home by:

- playing card games/board games that promote the language of chance.
- playing battleship to help understand coordinates

In Science we are studying **Weathering & Erosion**, and in HASS we are learning about **Australia: Before, During and After European Settlement**.

**Homework:** Homework is given out each **Monday** and should be handed in on **Friday**. Homework will consist of reading, spelling, revision of concepts learnt in class and project-based tasks.

## IMPORTANT Reminders

### Punctuality and Absences

We ask that all students please arrive in the classroom each morning on time, before the second bell. If your child is absent, please contact the office the morning of that day or by writing a note explaining the reason for absence. If you know of the absence in advance, please send in a note outlining the details (dates/reason) for the absence.

## IMPORTANT Dates

**Tuesdays – Library borrowing**

**Wednesdays – Technology and Japanese**

**Thursdays – PE and Music**

**Fridays – Assembly**

We also have swimming lessons this term during week 6. More information will be communicated to you about swimming lessons closer to the date.

Have a great week!
