

5C's Newsletter Term 1, January 2024

Welcome to the Exciting World of Fifth Grade Adventures!!

Dear Parents, Guardians, and Wonderful Year 5 Students,
I hope this newsletter finds you in great spirits and ready for an amazing school year ahead! My name is Akanksha Verma and as we embark on this journey together, I am thrilled to welcome each and every one of you to the fifth-grade family.
Year 5 promises to be an exciting time filled with new discoveries, deepening friendships, and academic growth. Our dedicated team of educators is committed to providing a nurturing and engaging environment where your child can thrive and reach their full potential.

Term 1 Learning	Important Days/Dates for 5C
<ul style="list-style-type: none"> Maths: Addition, Subtraction, Multiplication, Division, Factors, Multiples, Time are the focus. The best way to help your student with maths in term 1 is to get them to learn their times tables. English: We are looking at different text types, specifically their structure and how to understand them. The students will create a story book for a younger audience and then present it to them. The best way to help your student with English in term 1 is to encourage them to read different texts and discuss them with you. Also discussing the way good and bad characters are portrayed in books and film would help. Science: We are looking at states of matter and the properties of solids, liquids and gases. I generally refer to this as kitchen science so the best way to help your student is to get them involved around the kitchen and have discussions about things changing states. HASS: We are looking at the how people and environments influence each other. 	<ul style="list-style-type: none"> Monday 11:40 am – P.E. Monday 12:20 pm- Music Thursday 12:20 pm- STEM Thursday 1:40 pm – LOTE 22/1 - Term 1 begins 26/1 - Australia Day 26/2 - 29/2 - Swimming lessons 13/3 - 23/3 - NAPLAN - Y3 & Y5 28/3 - Cross Country 28/3 - Last day of Term 1
