

# CLASSROOM NEWS

2A with Mrs Nibbs

January 2024

It is hard to believe it is the beginning of Term 1 and our summer holidays have come to an end. I hope the students are all refreshed and excited about their new class and getting back to school. We will spend the first couple of days becoming more familiar with the new timetable, classroom expectations and the class.

**English** - We will begin the term off looking at information reports providing students with a variety of non-fiction texts and information texts that include illustrations and diagrams and creating their own information report.

**Maths** - Students will revisit and continue to develop their understanding of number and place value. Building on their numeracy skills and counting to and from 1000, and becoming more confident with time in particular reading and understanding calendars.

**HASS** - Students will explore the location and significant features of places and consider how people are connected to these and why they should be preserved.

**Science** - Students examine how living things, including plants and animals, change as they grow. They ask questions about, investigate and compare the changes that occur to different living things during their life stages.

## Schedule

**Monday:** Health and  
Computer Lab

**Tuesday:** STEM

**Wednesday:** P.E. and  
Music

**Thursday:** Library

**Friday:** Assembly

We will utilize Mathletics during our computer lab time. While we will introduce Studyladder to extend the students numeracy and literacy understanding. Both resources support the students to develop further their abilities to engage with and explore technology, while challenging their own knowledge

This was really successful with last years class and the students receive certificates for their hard work.

**A big thank you for bringing in your student's stationery and making contact with myself. I will be available Monday's and Wednesday's before or after school. I can be contacted by email, although please allow 24hrs for a response.**
