

2C NEWSLETTER

Term 1, 2024

Upcoming EVENTS

Homework will be sent home Friday, at the end of Week 2. It is to be returned each Thursday for checking.

Homework will consist of:

- Home Readers
- Spelling activity
- Maths activity.

Homework will be levelled to your child's individual needs in reading and spelling.

TEACHER MESSAGE

Hello! My name is Maria Andracchio, and I am so excited to be your child's teacher this year. Please find a snapshot of our learning this term. Remember, any concerns, please don't hesitate to contact me. Your voice is valued..

WHAT WE'RE Learning

ENGLISH:

Students will read and view a range of informative texts about animals. By the end of term, they will create their own informative text that includes a labelled diagram of the focus animal.

MATHS:

By the end of term 1, students will solve calendar problems; represent data into picture graphs; and, solve simple addition and subtraction problems.

SCIENCE:

Students will examine how living things change as they grow. They will investigate and compare the changes that occur to different living things during their life stages.

HASS:

This term, students will investigate connections to places significant to them, and give reasons as to why these places should be looked after for the future.

HEALTH:

This term, students examine health messages on cereal boxes, and will create a poster to promote these health messages.
